Re: *Kueh v. New York and Presbyterian Hospital*, No. 1:23-cv-00666 (VSB) (JW)

Dear Judge Willis,

We represent The New York and Presbyterian Hospital (the “Hospital”) in the above-captioned matter. We write on behalf of Plaintiff and the Hospital to request a thirty-day adjournment of the Initial Case Management Telephone Conference currently scheduled for January 23, 2025, which would allow the parties to focus their resources and attention on a potential resolution of the claims remaining in this action following Judge Broderick’s Opinion and Order dated November 25, 2024. *See* ECF No. 21. The parties are in the process of engaging a private mediator with availability in January 2025. Because a successful mediation would obviate the need for the January 23, 2025 conference and the corresponding discovery deadlines, an adjournment to February 24 or later would conserve the parties’ litigation costs, thereby increasing the likelihood of settlement. This is the parties’ first request for an adjournment.

We welcome any questions that the Court may have regarding the above.

Very truly yours,

/s/ Emily A. Vance
